SHORT-TERM PROGRAMS FOR INTERNATIONAL STUDENTS

Chinese Language Training Courses

The Chinese Language Training Courses focus on training of Chinese listening and speaking abilities. The courses are divided into three different levels, meeting the needs of students with different language proficiency. Foreign students can quickly master the Chinese pronunciation, and can use basic Chinese for communication through classroom exercises and extra-curricular experience. At the same time be able to identify commonly used Chinese characters, grasp basic Chinese grammar, and understand Chinese customs and culture. Students can grasp elementary Chinese reading and writing skills and cross-cultural communicative competence. The teaching time of the program is flexible and the content is rich. It is suitable for foreign friends studying, working and living in Wenzhou.

Trade-research & Study-tour

Students in this program can experience the pleasure of studying Chinese, improve the ability of reading, speaking, listening and writing Chinese gradually in the pleasant atmosphere, learn the unique economic model of Wenzhou, perceive the modern business logos, experience the unique folk-custom and culture of Wenzhou, and perceive the charm of Chinese culture.

Main Curricula

Integrated Chinese, Chinese primary listening, speaking, Chinese Character writing, etc.

Course Content and Arrangement

Chinese learning: The Chinese courses including Integrated Chinese, Listening, Speaking, Writing, etc.
